GREAT DECISIONS 2017

2017 Great Decisions Discussion Group
Sign Up begins February 13th

Great Decisions is the name of a program and a briefing book that are used to engage citizens in learning about the world. The Great Decisions Discussion Program is the oldest and largest grass-roots world affairs education program of its kind in the country. Each year, the Great Decisions editorial board selects eight of the most pressing global issues and regions that will be the focus of the briefing book, television programs, and online resources. Our group has selected four topics to discuss at the Dodgeville Public Library (lower level) on Fridays from 2:00 – 4:00 PM.

- **The Future of Europe (March 10)** — Facilitator: Dr. Madelon Kohler-Busch
- **Trade and Politics (March 24)** — Facilitator: John Simonson
- **U.S. Foreign Policy & Petroleum (April 7)** — Facilitator: Chuck Tennessen
- **Nuclear Security (April 21)** — Facilitator: Cathy Palzkill

Materials from the Foreign Policy Association are available at the Library prior to each session or order your own at the Foreign Policy Association http://www.fpa.org/great_decisions/ Supplementary resources (books / DVDs) are available to be checked out from the library on each selected topic.

Pre-Registration is required. Programs are free.
