The Quilter's Apprentice

(The first book in the Elm Creek Quilts series)

Master quilter Sylvia Compson shares the secrets of her creative gifts with her young assistant, Sarah McClure. During their lessons, the intricate, varied threads of Sylvia's life begin to emerge. It is the story of a young wife living through the hardships and agonies of the World War II home front; of a family torn apart by jealousy and betrayal; of misunderstanding, loss, and a tragedy that can never be undone.
