

## Permission Form for Access to the Internet for Juveniles

### This section to be complete by parent/guardian:

\_\_\_\_\_ (please print your child's full name) has my permission to use the Dodgeville Public Library's unfiltered public internet computers. **This form is expressly to give my permission for my child to have access to email and chat which can connect my child to unknown individuals outside of the library, as well as any and all sites on the Internet that fit within the Library's Internet Policy.**

I have read, understood, and agree to abide by the Dodgeville Public Library's Internet Policy. I understand that the Internet, while it offers access to a wealth of personally, professionally and culturally enriching material, also contains ideas, points of views, and images which may be offensive or disturbing to me or my child. I further understand that as a parent or legal guardian it is my responsibility to determine and monitor my children's use of Internet resources.

### This section to be completed by the child:

I, \_\_\_\_\_, (child's signature) agree to follow the posted Internet Policy and all the library's Internet procedures. I understand that my card will have a sticker on it to show that I have permission from my parent/guardian to use the Internet. If this card and/or sticker are lost, I will be charged to replace them. I also understand that I must show my library card each and every time I wish to use the Internet at the Library. I understand that without my marked library card, I will not be able to use the Internet computers and there will be **NO** exceptions. I also understand that my library card can be used by only me and that loaning the card to anyone else will cause me to lose my Internet privileges. Letting other children without a card and sticker to be at the computer with me will also cause me to lose my Internet privileges.
