

The United Fund of Iowa County has awarded the Dodgeville Public Library 2022 grant funding. \$750.00 will support our *Ocean of Possibilities* programming and re-energize our community about the joys of reading.

The **Duplo and Lego Math Challenge** bags inspire children about different ways of learning while having fun. Also giving the opportunity to explore multiple math concepts and skills with hands-on activities that help visualize math. Legos, engineering, reading and math equal fun!

Checkers Library TV virtual Deep Sea Readers will offer on-demand children's programs. The episode series takes families on different adventures, diving into oceans of the world, sea creatures, and vessels all while reviewing thrilling ocean-themed books! These video programs are aimed at providing entertainment for children, while illustrating the benefits of reading in a fun and exciting way. Contact Carol Gleichauf, Children's Librarian for more information at cgleichauf@swls.org or 608-935-3728.
